

Complete Streets Petition for McHenry County, IL (started Apr. 21, 2012)

Petition to:

McHenry County Board, c/o Chairman of the Board
 McHenry County Division of Transportation, c/o Director of Transportation
 All McHenry County Municipalities, c/o Village and City Managers
 All McHenry County Townships, c/o Township Road Superintendants & Supervisors

Dear Ladies & Gentlemen:

We the under-signees request that the above mentioned McHenry County entities implement a "Complete Streets Policy" within their jurisdiction that accommodates all modes of transportation especially Bicycling, Walking and Public Transportation. For reference, see explanation below.

Explanation: While some municipalities have Unified Development and other Ordinances that essentially constitute a "Complete Street Policy", others, namely the County and most Townships, do not. The first goal is that with any road project, usability shall not be made worse for any user and secondly, if improvements are made, improvements shall be made for all users. All planning shall be made with all users of the transportation corridor in mind.
